every baby deserves a 1st birthday

Saturday, June 20th 2015

10:00am -2:00pm

Cleveland Convention Center, 300 Lakeside Ave, Cleveland Ohio

In Cuyahoga County, 10 out of every 1,000 babies will not survive through their 1st birthday and African American babies are 3 times more likely than White babies to be affected. The purpose of this event is to raise awareness of infant mortality through education and engagement opportunities. The One Life, One Voice, One Community Event will provide information, tools, resources and connections to community programs and initiatives that impact quality of life, support a healthy pregnancy and baby, and provide the tools necessary to enable individuals to become an active voice in their community for justice and equality. Every baby deserves a 1st birthday!
